

WFHESL ENROLLMENT POLICY

All league memberships will expire on July 31st. Members may re-enroll at anytime between June 1st and August 20th. Members are encouraged to re-enroll by August 20th to avoid a lapse of league membership benefits such as WFHESL newsletter as well as participation in league-wide and cell group events.

The cost of league dues will remain constant (\$15.00) throughout the school year regardless of when a family enrolls. For example: A family joining in March would pay the full amount of league dues and membership would expire on July 31st of the new school year.

If you wish to receive your monthly newsletter by U.S. Mail, rather than by email, there will be an additional one time charge of \$5.00 per year for the time from August 20th to July 31st. The fee must be received at any one month by the 20th of that month to receive the newsletter the following month and through July 31st. For example: if a family paid their \$5.00 fee in May, their subscription would run out July 31st. That family would need to pay \$5.00, again, by August 20th.
